**Re: Freedom of Information Act Request – EPA-2022-003712**

Dear Addison Climo:

This letter concerns the above-referenced Freedom of Information Act (FOIA) request, received by the U.S. Environmental Protection Agency (EPA) on April 14, 2022. Your request is seeking records about a specific property: "200 Edgewater Street, Staten Island, NY 10305."

The MyProperty tool below will provide you with information concerning the property address you identified at the following website link: <http://www.epa.gov/myproperty/>. MyProperty is a tool for searching facility data that come from multiple EPA data sources available through the EPA's Facility Registry System (FRS). This tool allows Real Estate Agents, Mortgage Banks, Engineering and Environmental Consulting Firms and the public to determine if EPA's FRS system has records on a specific property without filing a FOIA request.

Because the information on a specific address is publicly available, your FOIA request for this information will be closed. Agencies are not required to provide FOIA requesters with records that fall within the proactive disclosure provision of the FOIA, subsection (a)(2), and which are already made available to the public, typically on the agency's website. *See* 5 U.S.C. § 552(a)(3); 40 C.F.R. § 2.101(c).

If no responsive records are identified for a specific property address, MyProperty will generate a "No Records Certificate." If MyProperty identifies responsive records that you cannot retrieve through MyProperty or if you need help with the MyProperty website, please contact EPA's FOIA Requester Center or Public Liaison at [hq.foia@epa.gov](mailto:hq.foia@epa.gov) or (202) 566-1667. We have conducted a search of EPA computer databases and have not identified any EPA records that are not reflected in the MyProperty search tool. If you are interested in lead paint or asbestos abatement enforcement records, please submit a new FOIA request explicitly requesting lead paint or asbestos abatement enforcement records, as such records are not covered by our search or the MyProperty search tool.

This letter concludes our response to your request. You may appeal this response by email at [hq.foia@epa.gov](mailto:hq.foia@epa.gov), or by mail to the EPA's National FOIA Office, U.S. EPA, 1200 Pennsylvania Avenue, N.W. (2310A), Washington, DC 20460 or through FOIAonline if you are an account holder. If you are submitting your appeal by hand delivery, courier service, or overnight delivery, you must address your correspondence to 1200 Pennsylvania Avenue, N.W., Room 7309C, Washington, DC 20460.

Your appeal must be in writing, and it must be received no later than 90 calendar days from the date of this letter. The Agency will not consider appeals received after the 90- calendar-day limit. Appeals received after 5:00 p.m. EST will be considered received the next business day. The appeal letter should include the FOIA tracking number listed above. For quickest possible handling, the subject line of your email, the appeal letter, and its envelope, if applicable, should be marked "Freedom of Information Act Appeal."

Additionally, you may seek dispute resolution services from EPA's FOIA Public Liaison at [hq.foia@epa.gov](mailto:hq.foia@epa.gov) or (202) 566-1667, or from the Office of Government Information Services (OGIS). You may contact OGIS in any of the following ways: by mail, Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, MD 20740-6001; email, [ogis@nara.gov](mailto:ogis@nara.gov); telephone, (202) 741- 5770 or (877) 684-6448; or fax, (202) 741-5769.
